

Dear CSN Aid Applicant:

Your Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called "Verification." In this process, CSN will be comparing information from your FAFSA with signed copies of your and your parent(s)' 2008 Federal tax forms, including all W-2 forms and schedules. If necessary, CSN will update the FAFSA on your behalf.

In order to expedite the processing of your financial aid application, refer to the following list of documents you and your parent(s) will need to **read, complete, sign and submit** to Student Financial Services at any of our office locations listed below.

COYOTE GROUP

- ✓ Verification Worksheet available at: [Coyote Group \(PDF\)](#)
- ✓ Your and your parent(s)' signed 2008 Federal Income Tax Returns, including W-2 and schedules

Please review your CSN on-line Registration Account under "*Fin. Aid Requirements*" and "*Fin. Aid Missing Docs*" for supplemental documents.

If you haven't already done so, activate your CSN email account and periodically check for correspondence from our office.

Sincerely,

Student Financial Services
