

ASSOCIATE OF APPLIED SCIENCE DEGREE (AAS)

This program is designed to provide students with the understanding and knowledge necessary for managing people and functions. An examination of management resources across national boundaries, the international marketplace and legal aspects of international business are emphasized. Students will learn management concepts through interactive exercises and case studies.

STUDENT LEARNING OUTCOMES - Graduates of this program will have the opportunity to:

- Explain current general business and global management theories and how they apply to international business settings.
- Apply general business and global management strategies to real-life professional situations.
- Demonstrate proficiency for entry-level management positions within a global or multi-national organization.
- Demonstrate the latest techniques and trends in international business and management practices.

Total Credits

Students may elect to graduate using the degree requirements in effect at the time of matriculation, or when they declared or changed major or the current catalog. If a program is official after a student has matriculated, the student may choose the degree requirements of the new program. In no case may a student use a catalog which is more than six years old at the time of graduation.
