

CERTIFICATE OF ACHIEVEMENT

Successful completion of this program will enable students, who are not interested in becoming interpreters, to work in a variety of situations with the deaf community. Students will obtain a strong understanding of American Sign Language, as well as deaf culture and history of deafness. Students will be able to communicate with deaf family members, friends and co-workers. Students also have the option to enter the Associate of Applied Science program in Deaf Studies to further their skills and understanding.

STUDENT LEARNING OUTCOMES - Graduates of this program will have the opportunity to:

- Demonstrate fluency in American Sign Language (ASL) demonstrated via spontaneous discourse with native and near-native ASL users.
- Demonstrate the ability to employ narrative skills in rehearsed ASL storytelling and personal account communication.

Total Credits

Students may elect to graduate using the degree requirements in effect at the time of matriculation, or when they declared or changed major or the current catalog. If a program is official after a student has matriculated, the student may choose the degree requirements of the new program. In no case may a student use a catalog which is more than six years old at the time of graduation.
