

**CERTIFICATE OF ACHIEVEMENT**

The Certificate of Achievement in Music Business and Technology is designed for students who wish to pursue careers in commercial music production, marketing, recording or management. The program provides in-depth studies of recording technology in the studio setting, with ample time for projects and research. Two levels of Business of Music are also offered to give students a comprehensive overview of all facets of the music industry, including management, budgeting, copyrights and related legal issues. In addition, students are required to take courses in general music, communication and computer literacy in order to give them the tools needed to succeed in the open marketplace.

**STUDENT LEARNING OUTCOMES - Graduates of this program will have the opportunity to:**

- Demonstrate fundamental knowledge of music theory and history to communicate effectively with professional musicians.
- Be prepared to manage, assist, or engineer basic professional recording sessions.
- Demonstrate knowledge of various music business practices, including contracts, copyrights, talent management, and budgeting.

Total Credits

Students may elect to graduate using the degree requirements in effect at the time of matriculation, or when they declared or changed major or the current catalog. If a program is official after a student has matriculated, the student may choose the degree requirements of the new program. In no case may a student use a catalog which is more than six years old at the time of graduation.
