

CERTIFICATE OF ACHIEVEMENT

This program will provide students an opportunity to work in community social service agencies and other fields after completing the proposed degree requirements. Many of the courses are applied in nature and fit with current community services agencies' occupational needs.

STUDENT LEARNING OUTCOMES - Graduates of this program will have the opportunity to:

- Distinguish among the fields of psychology, sociology, and anthropology.
- Demonstrate proficiency qualifications for entry level position in a social service agency.
- Demonstrate knowledge of and apply social sciences concepts to delivering services in a social science agency.

33
Total Credits

Students may elect to graduate using the degree requirements in effect at the time of matriculation, or when they declared or changed major or the current catalog. If a program is official after a student has matriculated, the student may choose the degree requirements of the new program. In no case may a student use a catalog which is more than six years old at the time of graduation.
