

SAFE FAITH UNITED IS ACCEPTING DONATIONS OF BRAND NEW TOYS AND/OR FINANCIAL DONATIONS FOR OUR PROGRAM "WHEN PARENTS ARE GONE FOR CHRISTMAS"

This program benefits children from all cultural and ethnic backgrounds who lost their mothers to homicide related to domestic violence in Nevada. Currently, we have over 250 children who meet this criteria. Last year, we provided toys to 125 children.

DEADLINE TO ACCEPT DONATIONS FOR THIS PROGRAM IS DECEMBER 1, 2011.

If you wish to donate for this program, please visit SFUVICTIMS.ORG go to the donate page and make your donation through PAYPAL. If you wish to arrange a large donation of toys please contact Safe Faith United at (702) 685-1500. If you do not have time shopping for toys, our dedicated volunteers would gladly do the shopping for you.

State Senator Steven A. Horsford joined our efforts to provide a Christmas party for the children who lost their mothers to domestic violence homicide. Our gratitude to the Senator for enabling such a wonderful opportunity to needy children. The parents of these children are gone for Christmas. Mom is dead and dad is also dead or serving time in prison.

We encourage politicians, faith leaders, business entities, community leaders and individuals to donate for this program. Let's help these children to grow up with hope, love, and with a program that teaches them that our community CARES.

WE NEED TOYS, COATS, AND GIFT CARDS for children ages 3 month old -17 year old.

Invited donors will be able to meet the family of the children, have dinner with them and give their adopted families their Christmas present. The date, time, and location of the party will be provided to invited donors. **This is a private event by invitation only.**

Thanks in advance for your donations, kindness and generosity.

Rebeca Ferreira, BA, MBA, DBA Candidate
Safe Faith United Founder/Executive Director
