

# Accounting Program

*School of Business, Hospitality  
and Public Services*

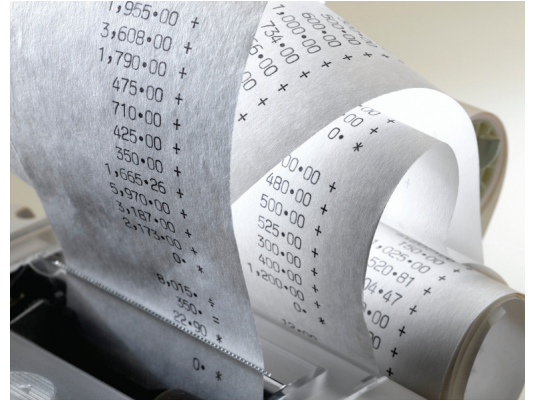

**CSN**  
COLLEGE OF  
SOUTHERN NEVADA

The Accounting Program provides a comprehensive background in the principles, procedures and theories of organizing and maintaining business and financial transactions. This program provides the skills students need to seek employment

in the bookkeeping or accounting field. The program addresses the fundamentals of accounting education, namely, sound technical competence, verbal

and written communication skills, and decision-making abilities. For those currently employed, the program provides additional knowledge or skills for job advancement, professional growth and career mobility. Students learn both the theory and practical skills necessary to meet the demands of today's business environment.

**Upon completion of the Accounting Program you will receive an Associate of Applied Science Degree in Accounting and/or a Certificate of Achievement in Bookkeeping.**

## Convenience and Flexibility

Programs are available to students on a full- or part-time basis with classes offered days, evenings, and weekends. CSN also offers several complete degrees online.

## Open Door Policy

CSN subscribes to an open-door policy of admitting high school graduates or non-graduates who are capable of benefiting from post-secondary education. For additional information call the Office of the Registrar at (702) 651-5610 or visit [csn.edu/admissions](http://csn.edu/admissions) to apply online.

The image shows a collage of tax forms. At the top is a portion of Form 1040, Schedule A-Itemized Deductions, with line numbers 40 through 55. Below it is Form 1041-Individual Income Tax Return, showing the header with the Department of the Treasury logo and the title 'Individual Income Tax Return'. The form includes fields for the tax year, filer's name, and social security number. A prominent 'Important!' notice states 'You must enter correct address.' The forms are overlaid on a background of a calculator tape showing various numbers and mathematical operations.
