CSN is an AA/EEO educator and employer and does not discriminate on the basis of race, color, national origin, sex, religion, age, disability, sexual orientation, veteran status, height, weight or marital status in employment or the provision of educational services and is an equal access/equal opportunity/affirmative action employer. CSN reserves the rights to eliminate, cancel, phase out or reduce in size the course and/or programs for financial, curricular or programmatic reasons. For official listings of courses required for degree/certificate(s), see an academic advisor.

Cardiorespiratory Sciences/Respiratory Therapy Program

*Ralph & Betty Engelstad
School of Health Sciences*

Thank you for your interest in the Cardiorespiratory Sciences/Respiratory Therapy Program. This multi-disciplined, multi-credentialed program prepares students in the disease management, education and life-sustaining care of individuals having deficiencies and abnormalities associated with the cardiopulmonary system. Graduates of this accredited program* have the opportunity to obtain credentials from many nationally recognized organizations including the National Board for Respiratory Care, Cardiovascular Credentialing International, and the American Heart Association.

With these credentials you could have a career as a Registered Respiratory Therapist. Going to school at the largest college in Nevada gives you tremendous resources in this field of study. And at CSN small class sizes are by design to allow you one-on-one attention, helping to ensure your successful completion in this program. Please read through this brochure to help direct you in your next step in the Cardiorespiratory Sciences Program.

Upon completion of the Cardiorespiratory Sciences Program you will receive an Associate of Applied Science Degree.

Health Sciences Admissions Information

PLEASE NOTE: Some Health Sciences programs may be designated as limited-entry and some programs may require full-time attendance once admission is granted. For complete information on the requirements for application, admission, orientation and other prerequisites for both limited-entry and open-entry programs, please call **702-651-5690** or **702-651-4530** or visit us online at <http://sites.csn.edu/health>.

How to get enrolled...

1. Submit a CSN Admissions Application online or in person.
2. Visit <http://sites.csn.edu/health> to learn more about our Health Sciences programs.
3. Attend a Health Programs Orientation
4. Schedule an appointment with a Health Programs Advisor.
5. Take the placement tests.
6. Register for prerequisite courses.
7. Pay for courses.

Financial Aid

Financial aid, scholarships and grants may be available to qualified students. For more information call Student Financial Services at **702-651-5660** or visit www.csn.edu/financialaid.

Open Door Policy

CSN subscribes to an open-door policy of admitting high school graduates or non-graduates who are capable of benefiting from post-secondary education. For additional information call the Office of the Registrar at **702-651-5610** or visit www.csn.edu/admissions to apply online.
