

# Management Program

*School of Business, Hospitality  
and Public Services*

**CSN**  
COLLEGE OF  
SOUTHERN NEVADA

**S**tudents earn an Associate Degree in Business Management after a two-year program that teaches the necessary abilities and knowledge for today's complex business environment. Our core curriculum

focuses on gaining skills in managing people and functions within the public and private sector, profit and non-profit organizations, along with global business operations. CSN's Management Program teaches students about the most up-to-date business practices and

shows them how to lead and organize employees and manage projects. Students are given extensive training courses that teach them how to efficiently supervise a company's human, physical and capital assets.

*Upon completion of the Management Program you will receive an Associate of Applied Science Degree and/or a Certificate of Achievement in Business Management. Areas of emphasis include: Human Resources Management, International Business Management, Public Sector Relations Management, Small Business Management, Telecommunications/Networking.*

### **Convenience and Flexibility**

Programs are available to students on a full- or part-time basis with classes offered days, evenings, and weekends. CSN also offers several complete degrees online.
