

Practical Nursing Program

School of Health Sciences

CSN
COLLEGE OF
SOUTHERN NEVADA

Thank you for your interest in the Department of Nursing and the Practical Nursing Program. This comprehensive program focuses on the performance of selected acts in the care of the ill, injured or infirmed under the direction of a registered professional nurse. The practical nurse becomes a skilled and knowledgeable technician. This certificate of achievement program* includes classroom instruction, skills lab instruction and clinical practice in adult, gerontological, family and mental health nursing. After the completion of the required coursework students will be eligible to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN®).

Although CSN is Nevada's largest college, you will still enjoy small class sizes designed for one-on-one attention helping ensure you have the tools you need to successfully complete this limited-entry program. Please read through this brochure to help direct your next steps.

Upon completion of the Practical Nursing Program you will receive a Certificate of Completion
