

TypeFocus™

STEP 1: Open up Internet Explorer.

Step 2: Type in the web sites link: [Http://www.typefocus.com](http://www.typefocus.com)

Step 3: Part 1: When the web site opens up, you will see a bar indicating NEW USERS START HERE Click on it.

Part 2: Enter your information starting from the top going towards the bottom of the application.

Part 3: Entering the ACCESS CODE: Csn63 (no spaces and is not case sensitive.)
Then click next after providing and entering the code indicated then clicking on next.

Step 4: Start by clicking on the second tab on the top of the tab indicated as Self Assessment. Then start on the Self assessment portion of the type focus.

Step 5: Click back onto the Self Assessment tab after viewing your results.

Step 6: Once going back onto the self assessment tab click on Personality Assessment following the web sites directions after your results go back and do the same for Interest Assessment, Values Assessment, and your Feedback. Once viewing your results after each Assessment please follow step five until completing all of your Assessments. (Note: The feedback is not an Assessment and is only for the web sites rating and on what you thought about the Typefocus Testing program.)
