

What Does The Future Hold For You?

Discover the possibilities your Communication Degree offers

Communication 299 Special Topics in Communication Section 1001 (32479)

You know the value of a communication degree, but once you've achieved that--what is the next step? Exactly how do you go about entering the professional world? This course will explore these and other questions. This semester we will:

- investigate various **communication careers**
- design effective **resumes** and **cover letters**
- master the **interview** process.

What: This **3 credit** practical course is open to all CSN students, but communication majors are strongly encouraged to enroll.

When: Spring Semester 2012

Where: Online

Time: Because it's online, you decide

Other: Team taught by **Professors Cameron Basquiat, James McCoy, and Owen Pillion**

Info: 702-651-5043 or owen.pillion@csn.edu
