

Information for On-Campus Employers Regarding International Students

International students attending CCSN are allowed to work on-campus so long as they are in compliance with their F-1 visa status. The International Center will issue an “On-Campus Work Authorization” letter to campus employers on behalf of international students eligible to work on-campus. If you are an on-campus employer and would like to hire an international student, please ask them to come to the International Center on the West Charleston campus, building D112 to request this letter.

On-campus authorization letters are valid for one semester at a time and must be renewed each semester the international student is employed.

If you are an on-campus employer and would like to speak with someone in the International Center, please call 702/651-5820 and we will be happy to assist you further.
