CALCULATIONS

Student FTE: Calculations of Student FTE are based upon enrollment in credit courses that can be used to fulfill the requirements of a degree, certificate or other formal award, including credit bearing remedial or developmental courses. (see FTE Enrollment Reporting Procedures for a more detailed definition)

Undergraduate level FTE - All semester credit hours generated in undergraduate level courses--regardless of student level--divided by 15.

Headcount Enrollment: Unduplicated count of student enrollment in academic credit courses.
