GOALS & OBJECTIVES

The primary goal is to create the opportunity for ball players of all ages to receive quality skill and game instruction for all areas of the game. With a very low Camper to Coach ratio, campers are able to receive personalized instruction focused on skill development and a positive mental approach to the game of baseball. Skill specific drills coupled with mini-game experience enables campers to put it all together and raise their level of performance. We teach that "You are only as strong as your weakest link." and provide that knowledge for the Camper to work on for the year ahead.

Early Extra Work Sessions

Early work is available for 50 minutes prior to the last two days of Camp for all sessions.

(Exception: Pitching Clinic) Instruction is available for hitting, pitching, catching, and infield play.

Fee for all extra work sessions is **\$25 per day**. No discounts for early work sessions. Please indicate on your application your desire to participate.
