2024 Student Commencement Speaker

MOLLY KEYES

As Molly Keyes approached the podium at the CSN 2024 commencement ceremony, she reflected on her journey to this momentous occasion. A Taurus born on May 8th, Molly emerged from a richly diverse background, embracing her Irish and Filipino heritage.

Following her graduation from nursing school in 2012, Molly embarked on a profound voyage of self-discovery. In 2016, she welcomed her son, Michael Jonathan Smith, into the world, marking the beginning of an eight-year hiatus dedicated to nurturing her child.

In 2023, Molly transitioned into the Applied Science in Travel, Convention, and Event Planning program with her sister, initially viewing it as a pathway towards her aspiration of becoming a Physician Assistant. However, it was the captivating stories shared by Professor Vivienne Sario that fueled Molly's passion for travel and tourism. With the support of Phi Theta Kappa, Molly opened new opportunities and avenues for herself.

Embracing this opportunity, Molly aimed to showcase the legendary potential of the Class of 2024, demonstrating their capacity to transcend limitations and inspire others. Drawing inspiration from her late father, who instilled in her the belief that she could be the Hero the world is waiting for, Molly felt compelled to impart this same motivation to others.

Acknowledging the transformative impact of the scholarship she received, Molly emphasized its pivotal role in enabling her to prioritize her family and education. Pursuing her bachelor's degree in Applied Science at CSN, with a specialization in Travel, Convention, and Event Planning, Molly remained steadfast in her pursuit of knowledge, considering the possibility of furthering her education with a master's in Physician Assistant studies.

Reflecting on her mother's wisdom, Molly embraced the notion that life's journey can lead down unexpected paths, and sometimes, the greatest joy lies in enjoying the ride.

Each year, the CSN student commencement speaker is offered a scholarship that will pay all in-state registration fees for a full-time student at any

Nevada System of Higher Education institution for up to two years.

Beginning in the 2018-2019 academic year, the scholarship became known as the Dr. Michael D. Richards Student Commencement Speaker Scholarship. Dr. Richards, who served for eleven years as CSN's president, and was a student success champion who saw more students graduate during his tenure than any other CSN president.

Fifty-Second Annual Commencement Ceremony

College of Southern Nevada

May 13, 2024

RECESSIONAL	

CSN-SPONSORED RECEPTION IMMEDIATELY FOLLOWING ON THE CONCOURSE

Honorary Degree Recipient

KEN EVANS

Ken Evans currently serves as a Community Programs Advisor for the M.Y.S. Firm within the Consulting Division. In this position, he provides advice, guidance and consultation to non-profit, for profit and public sector clients who are developing community programming plans for implementation within their region. He has more than 35 years of experience within the engineering, construction, and real estate development areas. He has a Civil Engineering degree from the U.S. Air Force Academy and a Master's degree in Business Administration (MBA) from the University of Phoenix. He is also a retired Lieutenant Colonel who served as a Commander in both Iraq and Afghanistan. In 2010, Evans was recognized as the top Reserve Air Force engineering officer and received the Air Force Civil Engineering Officer Manager of the Year award for the Air Reserve Component.

Evans has been a small business owner himself in several different business ventures since 2001. He initially started and managed a real estate development consultant firm which completed several residential and commercial projects with clients prior to the market downturn in 2008. His leadership, business and entrepreneurial background contributed to his selection in September 2013 as the President for the Urban Chamber of Commerce. During his tenure with the Chamber, he was instrumental in leading the effort to forge strategic alliances, create new partnerships, boost Chamber membership, and, ultimately, better position small diverse Chamber businesses to pursue procurement opportunities in new, emerging and existing markets.

Finally, Evans has been actively engaged in the community since being assigned here for military duty in 1989. He is a graduate of the 1993 Leadership Las Vegas program and the 1995 Project Blueprint program. He also served as the Sergeant at Arms for the Nevada State Senate during the 2011 session of the Nevada Legislature.

Keynote Speaker

REUBEN D'SILVA

Reuben D'Silva is a teacher in the Clark County School District. He has dedicated his life to helping those in need, uplifting his community, and serving others as a U.S. Marine, a dedicated public school teacher, community organizer, church volunteer, public awareness speaker, and youth mentor.

Reuben was born in Mumbai, India, and immigrated to the United States as a toddler. He attended Rancho High School where he served as Senior Class President and graduated in 2003. He then attended the College of Southern Nevada (then Community College of Southern Nevada) and enlisted in the United States Marine Corps. He later transferred to the University of Nevada, Las Vegas (UNLV).

While attending UNLV, Reuben was called to serve his country and deployed to Iraq. On the night of June 6th, 2007 while serving as a turret gunner in Fallujah, Reuben's convoy came under enemy fire. He was shot through the forearm but still managed to return fire and suppress the enemy until his fellow Marines could escape the kill zone. He was awarded both the Purple Heart and Naval Achievement Medal. Reuben spent the following year in a military hospital recovering from his wounds.

After his rehabilitation and medical discharge from the Marine Corps, Reuben returned to Las Vegas and graduated from UNLV with a bachelor's degree in History. He then earned his first master's degree in Global Studies at the University of Pennsylvania and earned a second master's degree in Comparative Religion and Politics at Yale University.

He graduated from Yale and turned down several out-of-state job opportunities so he could return to Las Vegas and teach History at his alma mater, Rancho High School, feeling it was the right thing to do. At Rancho, Reuben coaches girls' basketball, advises several clubs, and promotes college, career, and civic readiness in his classroom. He is one of Rancho's most beloved teachers, having a reputation for being a tough, yet compassionate educator. Reuben has positively impacted hundreds of lives.

Reuben knew he wanted to be a high school teacher. Having turned down several out-of-state job opportunities, he came back to teach at the same high school he attended so he could help inner-city kids like himself, get an education and achieve their dreams. As a teacher, Reuben inspires and motivates a new generation every day. Reuben and his family faced hurdles similar to that of many of his students, as working-class immigrants struggling to make it in America.

In 2013, Reuben was appointed by U.S. Senator Harry Reid as a member of Nevada's Military Academy Selection Committee. The following year, he was appointed as a Trustee for the City of North Las Vegas Library District by North Las Vegas City Councilman Isaac Barron. He is a practicing Roman Catholic and is an active member of the Knights of Columbus, Holy Apostles Council at St. James Church.

Commencement Tradition

Colorful variations in academic robes and accessories in today's Commencement Ceremony display a deep tradition and meaning.

Academic wear has its origin in medieval ecclesiastical garments, first worn at Oxford and Cambridge in the 14th century. In the United States, it dates from colonial times. In 1895, an American code was set up to establish uniformity of practice in the wearing and design of mortarboard, hoods, gowns and tassels.

Variations in color and design of the graduation gown designate each level of degree: associate, bachelors, masters, and doctoral.

At the master's and doctoral levels hoods are worn. The lining of the hood represents the official colors of the institution conferring the degree. Today you will see several with silver-gray and scarlet linings representing the University of Nevada, Las Vegas and silver-gray and blue linings, which represent the University of Nevada, Reno.

The velvet border on the hood represents the academic area of the degree. For example, Arts and Letters, white; Law, purple; Medicine, green; Theology, scarlet.

CSN graduates represent three national honor societies for academic excellence.

The students with Greek letters after their names and wearing gold stoles are graduating members of [Phi Theta Kappa](#). These students commit themselves to upholding the hallmarks of leadership, scholarship, fellowship, and service.

[Sigma Chi Eta](#) is the official community college honor society of the National Communication Association. CSN students wearing gold and purple honor cords are members.

[Sigma Phi Alpha](#) members are dental hygiene honor graduates, who wear white satin stoles with gold keys.

College of Southern Nevada Profile

The College of Southern Nevada empowers our students and communities to achieve, succeed, and prosper.

The largest and most diverse higher education institution in Nevada, CSN has three main campuses in Las Vegas, North Las Vegas and Henderson and multiple sites and centers.

Students can choose from more than 180 degrees and certificates in more than 70 academic programs, including degree options in high demand fields such as healthcare and information technology. We also offer 27 degrees and certificates entirely online.

Led by CSN President Dr. Federico Zaragoza, CSN is divided into six academic schools and the non-credit Division of Workforce & Economic Development, which provides workforce training, personal enrichment and customized business training opportunities for the community.

The College boasts a national champion NJCAA baseball team, and nationally competitive women's volleyball, softball and men's and women's soccer teams. CSN is also home to one of the largest honors societies in the country for community colleges, an active student government and many student clubs and intramural sports.

Karin Coelho	Ivana Viviano
Tracy D'Ambrosia	Lawrence Weekly
Jennifer Daughtery	Latoya Wright
Daniel Diaz	

Special thanks to the CSN Concert Band, Facilities Management
and all of our volunteers who generously donate their time.

CONGRATULATIONS GRADUATES!

This is an exciting time, enjoy it!
Whether you're about to join the workforce or
transfer to another institution.
We know you'll prosper in our community.

And if this memorable occasion has motivated
you to complete your degree or start working on
a new one, your future can start here too.
