

DEPARTMENT CHAIRS (NFA proposal 1-26-18 as part of package 2 CSN Counter 03 12 2018)

CSN's duly adopted policies regarding Department Chairs shall be followed, with the following additional stipulation regarding Department Chair elections:

a) The CSN President's power (and that of any other administrator) to disqualify a candidate is limited to use prior to voting in a Chair election. If the President (or other administrator) does disqualify a candidate, he/she will notify the department of any ineligible candidates in advance of the election, ~~provide a written rationale to the department's faculty,~~ and sufficient time and notice shall be provided for other candidates to run. Once the voting process is complete, the result is final and not subject to post-voting rejection of the winning candidate.
