

## Download the CSN MobileSAFETY App Be Informed & Be Prepared for on-campus **EMERGENCIES**

CSN MobileSAFETY is an essential tool to enhance your safety at College of Southern Nevada. The app will send you important safety alerts and provide instant access to campus safety resources and emergency contacts.

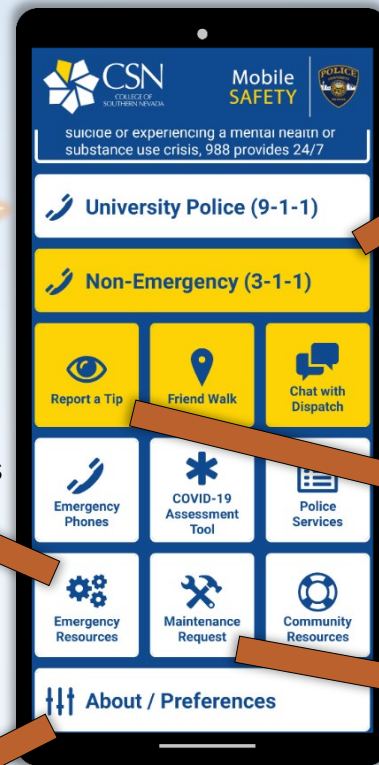

MobileSAFETY is the official mobile safety app of CSN.

**Emergency Resources**  
Like any community, we are not immune to natural and man-made disasters. Faculty, staff, students and families must collaborate to plan and prepare for these types of emergencies. Please review the resources below for additional information.

 Be Informed	 Develop an Emergency Plan	 Build an Emergency Supply Kit
 Get Involved	 Emergency Response Guide	 Campus Maps

**Emergency Resources:**  
Access important Emergency Preparedness information

**Contact University Police for Emergencies and Non-Emergencies**

**Prevent Emergencies from Happening:**

**Report a Tip:**  
Submit an anonymous report to the University Police

**Maintenance Request:**  
Submit a Work Request to Facilities Management (broken lights, leaks, etc.)

**Notifications:**  
Make sure the Emergency Notifications are enabled in the About/Preferences tab

**About This App**  
MobileSAFETY was developed by University Police Services under its mandate to develop policies, programs, services and informational resources to promote and address student safety. Software development was performed by AppArmor Mobile (www.apparmor.com).
