“I have had the opportunity to speak to students and faculty at the College of Southern Nevada, in particular, the legal program. I know the faculty members all hold a degree of Juris Doctor.

The atmosphere at the College is one that invites learning. The facilities are beautiful and practical, and I have no hesitancy in recommending to those who are interested in a special legal program attending this outstanding college.”

Prospective Students

THE PARALEGAL PROGRAM AT CSN

The Paralegal Program has been educating paralegals for over 30 years. Started in 1981, CSN's Paralegal Program was the first of its kind in Nevada.

The Paralegal Associate of Applied Science Degree and Post-Degree Certificate of Achievement prepare students for employment as a legal professional in law related occupations, including public and private law practices, corporate practices or governmental agencies.

The curriculum provides students with practical legal skills enabling them to interpret and draft legal documents, learn legal procedure and prepare cases for trial.

Paralegals are listed among the fastest growing occupations nationwide.

“I needed to get out of a dead end job. After researching paralegal programs in the Las Vegas area, I chose the one at CSN and never looked back. The program at CSN offered mainly law classes and the ability to graduate in one year with a paralegal certificate. The courses and staff have been excellent and I’d recommend this program to anyone considering a paralegal career.”
