DOUGLAS SIMS, Ph.D.

Dean, Advanced & Applied Technologies

KHALED ELZAYYAT, B.E., M.S.E.E., Ph.D.

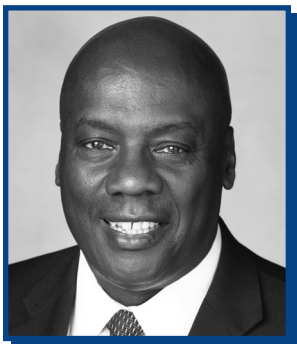

2026 Student Commencement Speaker

BRENDA VELASQUEZ

Brenda describes herself as a proud graduate of the College of Southern Nevada, earning her Associate Degree in Special Education. As a CCSD paraprofessional, as well as a wife and mother of four, her journey has required perseverance, sacrifice, and an unwavering belief in her purpose. Each step of the way has strengthened her passion for supporting students of all abilities and advocating for inclusive, compassionate learning environments. She is deeply grateful to have the opportunity to continue her education at the University of Nevada, Las Vegas, on a full-ride scholarship as she pursues her dream of becoming a Special Education teacher. She considers it a true honor to serve as the 2026 Commencement Speaker and represent a class whose resilience and determination inspire her every day.

Honorary Degree Recipient

FRANK R. WOODBECK

Frank R. Woodbeck retired from College of Southern Nevada in February 2025 after a career in public service. Woodbeck's distinguished career includes over four decades of public service at CSN, Department of Employment, Training, and Rehabilitation, the Nevada System of Higher Education, and the Nevada Commission on Economic Development. His career also includes 36 years in the communications industry serving in senior management positions with Capital Cities Communications, The Washington Post Company, and ACE Radio Networks.

Woodbeck is a decorated veteran from the United States Air Force, having received the Medal of Commendation and the Vietnam Service Medal for meritorious service in Vietnam. He is a native of Buffalo, New York, where he earned a Bachelor of Science degree in Business management and completed broadcast management programs at Harvard University.

Each year, the CSN student commencement speaker is offered a scholarship that will pay all in-state registration fees for a full-time student at any Nevada System of Higher Education institution for up to two years. Beginning in the 2018-2019 academic year, the scholarship became known as the Dr. Michael D. Richards Student Commencement Speaker Scholarship.

Dr. Richards, who served for eleven years as CSN's president, was a student success champion who saw more students graduate during his tenure than any other CSN president.

Fifty-Fourth Annual Commencement Ceremony

College of Southern Nevada

May 18, 2026

Commencement Tradition

Commencement is a time-honored tradition that celebrates the achievements of our graduates and the support of the community that surrounds them. Today's ceremony recognizes students earning associate and bachelor's degrees, representing their hard work, perseverance, and commitment to their educational goals.

The academic regalia worn during the ceremony reflects this tradition. Students wear caps and gowns to symbolize the completion of their academic journey, and many also wear stoles, cords, and other adornments that represent academic honors, involvement in clubs and organizations, and participation in cultural celebrations. Faculty and academic leaders wear regalia representing their fields of study and institutions, honoring the broader academic community.

College of Southern Nevada Profile

The College of Southern Nevada is the state's largest community college, serving thousands of students across multiple campuses and learning centers each year. CSN is committed to providing accessible, high-quality education that supports student success, workforce development, and transfer opportunities. Our graduates go on to make meaningful contributions to our community and beyond, carrying forward the knowledge and experiences gained during their time at CSN.

As we celebrate today, we recognize not only the accomplishments of our graduates, but also the faculty, staff, families, and friends who have supported them along the way. This ceremony reflects the shared commitment to student success that defines the College of Southern Nevada and the bright futures ahead for our graduates.
