

## CSN proposal for the CBA on 'Safety'

When an academic faculty member believes there is cause for concern for the safety of themselves and/or the students, they should immediately use the classroom's Emergency Phone or other communication methods to seek public safety assistance or respond consistent with the College's central message being distributed concerning an incident. If necessary, the academic faculty member may dismiss the class. If the department chair doesn't know of the circumstances, the faculty member shall report the class dismissal as soon as practical.

The NFA-CSN president or designee will be a member of the CSN Safety and Security Committee.
