The U.S. Department of Education has ruled that the proceeds of a Federal Direct PLUS Loan must be used to cover educational expenses incurred by the student. CSN will apply the net loan disbursement to the student's institutional charges including tuition and fees. A refund will be processed if the disbursement exceeds the student's institutional charges. You must indicate below whom is to receive a possible refund:

[ ] I authorize the College of Southern Nevada to refund excess Parent PLUS loan proceeds directly to the student in a check payable to the student. This refund method occurs within 14 calendar days of the Parent PLUS disbursement to the student's account. (CSN Office of Financial Aid encourages you to discuss the proper disposition of the funds with your child).

[ ] I would like any refund mailed to me at the address provided above. I understand this refund method may take up to 45 days from the date of the Parent PLUS loan disbursement to the student's account, and may require additional documentation so the funds may be sent directly to me.

I, the parent borrower, authorize the Secretary of the U.S. Department of Education to investigate my credit record and report information concerning my credit to the proper persons and organizations.

During the campus closure, parents and students can submit notarized loan request forms by mail or email to loaninfo@csn.edu. Both the parent borrower and student must also submit a color copy of a valid state driver's license, state identification card, or U.S. passport. This form, along with the above mentioned acceptable identification, can also be mailed with a notary's seal and signature to CSN, 6375 W.
