E. If summer courses are to be included in the work disregarded, then course work from all summer terms of the same calendar year shall count as one semester.

F. There will be no reimbursement of fees for the semester which academic renewal is granted.

G. The requirements for eligibility for academic renewal are:
   1. a minimum of 5 years must have elapsed since the most recent coursework to be disregarded was completed, and
   2. in the interval between the completion of the coursework to be disregarded and the filing of the petition, the student shall have completed a minimum of fifteen credits of course work from a regionally accredited institution of higher education with a minimum grade point average of 2.5 on all work completed during that interval. Courses taken during this interval may be repeats of previously attempted college work.

NOTICE TO STUDENTS:

2. Other institutions and employers may include the disregarded semesters in their decision-making.

III. PROCEDURE

A. The student submits an Academic Renewal Form to the Office of the Registrar.

B. A determination is made by the Registrar, based upon a review of the student's academic record and the student's request, of the student's eligibility.

C. If awarded, the student's academic record will be annotated to indicate that credit hours earned during the disregarded semester(s), even if satisfactory, will not apply toward graduation requirements and that the grade earned will be excluded from the student's cumulative grade point average.
