

Fire and Emergency Services Administration

BACHELOR OF APPLIED SCIENCE (BAS)

REQUIRED CREDITS: 121

DEGREE CODE: FIRESA-BAS

Admittance into the Bachelor of Applied Science program will require a minimum of an associate degree in fire science or a closely related field. Those seeking entry into the program without a closely related associate degree will have their coursework reviewed for admittance. For information regarding the Bachelor of Applied Science – Emergency Services Administration degree, please contact Greg Gammon, Director of Fire Science at 702-651-7554 or Rita Hayes, Department Chair, at 702-651-4048.

DESCRIPTION

This BAS degree is intended for students who wish to develop their managerial skills and further compliment the technical skills they have already acquired at the AAS degree level. The BAS will open up career pathways and promotional opportunities beyond what an AAS degree will provide. Students will complete additional coursework that has been approved by Fire and Emergency Services Higher Education (FESHE) model curriculum. The BAS degree will be granted to students who have successfully completed an AAS degree in Fire Science or a closely related field from a regionally accredited community college and matriculate to complete the core and noncore courses recommended by FESHE.

STUDENT LEARNING OUTCOMES

- Evaluate community risk reduction methods related to the fire service.
- Assess effective leadership programs in public administration.
- Appraise business strategies involving personnel, fiscal management, legal and administrative practices related to the fire service.
- Create and evaluate policy, plans, and procedures to support emergency services administration.

PLEASE NOTE - The courses listed below may require a prerequisite or corequisite. Read course descriptions before registering for classes. All MATH and ENG courses numbered 01-99 must be completed before reaching 30 total college-level credits. No course under 100-level counts toward degree completion.

- NOTE**
- Course numbers with the “B” suffix may be non-transferable for a NSHE baccalaureate degree.
 - Course numbers with the “H” suffix are designated Honors-level courses and can be used to fulfill equivalent general education requirements. For more information visit www.csn.edu/honors.
 - In no case, may one course be used to meet more than one requirement except for the Values and Diversity general education requirement (only AA, AS, and AB degrees) which may be used to fulfill the corresponding general education or emphasis requirement.
 - Students may elect to graduate using the degree requirements in effect at the time of matriculation, or when they declared or changed major or the current catalog. If a program is official after a student has matriculated, the student may choose the degree requirements of the new program. In no case may a student use a catalog which is more than six years old at the time of graduation.
