Testing Center
The Testing Center has suspended all in-person services. However, we are aware of the challenges that new students may experience as a result of this unexpected circumstance, especially in meeting placement test prerequisites. Please contact us at the following link so we can address your particular question or situation - https://www.csn.edu/testing.

i. **Math, English, or Reading Placement Prerequisites.** The college is exploring alternative methods for new students to meet math, English or reading placement prerequisites. Information will be available as soon as a decision is reached. Please visit us for more details at https://www.csn.edu/testing.

ii. **Remote Placement Testing at Approved Accuplacer Network Sites.** It may be challenging to find a proctor at approved locations and partners this time. Nevertheless, we are exploring potential solutions for remote administration of placement tests. Please visit our remote testing site for details. https://www.csn.edu/non-csn-testing

iii. **Request for Duplicate Accuplacer Scores.** Students can request duplicates of placement scores online through the Testing Center website. https://www.csn.edu/clep-dantes

iv. **Alternative Placement.** Services for waivers for alternative placements, such as SAT and ACT tests, will be provided remotely. Students need to scan and email their results to any of the three campus testing center email addresses below.

v. **TEAS Exams.** TEAS exams scheduled for March and April 2020 were tentatively rescheduled to May. The Testing Center is working with all stakeholders to explore remote proctoring to serve students for May and in the future. We will post updates to this website.

**Testing Center email addresses.**

a. **Charleston Testing Email** wchtestingcenter@csn.edu
b. **North Las Vegas Testing Email** NLVtestingcenter@csn.edu
