ATTENTION

Due to challenges that COVID-19 has caused the students in the Dental Hygiene program since the March 2020 shutdown, the Dental Hygiene program will be unable to accept a class for the Summer 2021 start of the new BSDH Direct Admit program.

Our priority has always been to deliver a quality education and our focus is to facilitate the success of our learners currently in the classes of 2021 and 2022 in the uncertain times we are faced with.

We apologize for this inconvenience and anticipate offering the program in 2022.

Sincerely,

Engelstad School of Health Sciences
