DIAGNOSTIC MEDICAL SONOGRAPHY

Job Description
Diagnostic Medical Sonographers are skilled health care workers who assist the physician as a sonographer.

Diagnostic Medical Sonographers perform various procedures which have been delegated to them by the physician. These procedures include:

- Obtain, review, and integrate pertinent patient history and supporting clinical data to facilitate optimum diagnostic results.
- Perform appropriate procedures and record anatomical, pathological and/or physiological data for interpretation by a physician.
- Record and process sonographic data and other pertinent observations made during the procedure for presentation to the interpreting physician.
- Exercise discretion and judgment in the performance of sonographic services.
- Provide patient education related to medical ultrasound and promote principles of good health.

Career Opportunities
The rewards as a Diagnostic Sonographer include great job opportunities in a variety of employment settings:

- Hospitals
- Outpatient Facilities
- Diagnostic Imaging Centers
- Physicians’ Offices

Application Deadline
Students applying for the Summer 2019 program must submit an application to the Limited-Entry Office by February 1, 2019.

Application Requirements
- Final grades or transcript evaluation must be in the Limited-Entry Office by the completion deadline in order to be eligible for consideration. See reverse side for specific requirements.

Admission Requirements
The Diagnostic Medical Sonography Program is a Limited-Entry Program. Therefore, all prerequisite requirements must be completed by the completion deadline in order to be eligible for consideration.

Accepted Students
Students accepted into the program will be required to show proof of CPR certification, health insurance, physical exam, and immunization against Hepatitis B, Measles, Mumps, Rubella, Tetanus, Varicella and Diphtheria. Additionally, a negative two-step TB skin test and negative urine drug screen will also be required. In addition, students may be required to submit to an official background check. All documentation is due prior to the first scheduled clinical education experience.

Accreditation

- Commission on Accreditation of Allied Health Education Programs (CAAHEP)
  25400 U.S. Highway 19 North, Suite 158
  Clearwater, FL 33763
  (727) 210-2350
