

Engineering Technology AAS to BAS General Education Preferences

Specifically for those working on an Engineering Technology AAS degree from CSN with emphasis in either Electronics (all concentrations), Telecommunications, or Slot & Self-Serve Device Technology

In order to minimize the classes that you need to take obtain after your AAS degree is completed, the following General Education choices are suggested for English, Mathematics, and Science.

English: ENG 101

Mathematics: MATH 127

Science: EGG 131, EGG 131L, EGG 132 + any other degree requirement

This is an informational draft. It will be laid out in a guided pathway for the students.
