FAA MEDICAL CERTIFICATE INFORMATION

CSN Aviation Students enrolling in:

- AV111 Private Pilot Certification Lab
- AV212 Instrument Certification Lab
- AV251 Commercial Certification Lab

Must acquire an FAA Medical Certificate (3rd class) no later than the first week of instruction. No endorsement is required, and self-scheduled with the AME’s office at your convenience. Medical Certificate prices range (average $125.) Payable to AME at time of appointment.

Get Started:

Applicants must use FAA MedXPress, an electronic application for an Airman Medical or Student Pilot Certificate – follow the link:
