

**CERTIFICATE OF ACHIEVEMENT**

The Fire Fighting certificate is designed for students who desire to enter a career in a municipal, county or state fire department. The material is linked with the Nevada State Fire Marshall’s Nevada Firefighter I Certificate. Students are given the opportunity to take the Nevada and National Fire Protection Association’s Firefighter I didactic and practical test. Course material must be taken in sequence with all prerequisites being completed prior to testing with the State Fire Marshall’s Office.

The Fire Fighting certificate does not guarantee employment within any fire department in the State of Nevada. Students may be placed in a physically demanding environment designed to introduce the student to the job task and skills required to operate in the fire and emergency services.

**STUDENT LEARNING OUTCOMES – Graduates of this program will have the opportunity to:**

- Demonstrate preparedness to complete the Nevada State Fire Marshall’s written test in accordance with the National Fire Protection Association’s Firefighter I Standard 1001.
- Demonstrate preparedness to complete the Nevada State Fire Marshall’s practical test in accordance with the National Fire Protection Association’s Firefighter I Standard 1001.
- Demonstrate preparedness in oral communications and interviewing techniques.

**35**  
Total Credits

Students may elect to graduate using the degree requirements in effect at the time of matriculation, or when they declared or changed major or the current catalog. If a program is official after a student has matriculated, the student may choose the degree requirements of the new program. In no case may a student use a catalog which is more than six years old at the time of graduation.
