MATH 104, MATH 111, and MATH 116 are only acceptable for specific AAS and AGS degrees and are not transferable to four-year institutions.

MATH PLACEMENT INFORMATION

If the proper prerequisites have not been satisfied, students MUST take the Math Placement Test. It may be taken in the Testing Center of any CSN Campus.

If placement is below MATH 95 the student may register for MATH 104, MATH 116, MATH 93 or the MATH PREP course.

Visit www.csn.edu/math for additional math placement information and practice tests.
