Explore. Experience. Expand.

The mission of the Performing Arts Center is to provide artistic, cultural, educational and entertainment opportunities for the students, faculty and staff of the College and residents of the community.

Join us in our mission and show your support of the arts in our community!

Explore. If you believe that access to the arts improves quality of life and helps build stronger community, we invite you to explore the levels of support available to patrons and businesses.

Experience. Imagine the magic a child experiences the first time he hears the sounds of an orchestra, or a child’s expression as her heart skips a beat when she sees dancers appear to dance on air. For many of us, this is the wonderful world of art, but for a young audience member, this is magic!

Expand. Your generous donation to Friends of the Horn will enable us to enhance our productions and expand our offerings by bringing in guest artists and more diverse programming.

Name a seat in our Nicholas J. Horn Theatre in honor or memory of a friend or family member, or in the name of your company. What a great and lasting way to help support the arts!

Only $150 per seat plaque
