

Welcome to the College of Southern Nevada. With over 40 years of rich history, CSN is a dynamic and engaging institution known for its:

Access: CSN is the largest postsecondary institution in the state. You can feel good knowing that your college provides the most affordable access to higher education in Southern Nevada to approximately 67,000 students a year.

Quality: CSN is accredited by the Northwest Commission on Colleges and Universities. In addition, CSN has specialized accreditation in almost every academic program possible. This speaks to the quality of the education students receive here. As a CSN employee, you will be valued for your commitment to creating a quality learning experience and environment at the college.

Diversity: With no ethnic majority, CSN is the most ethnically diverse higher education institution in the state. At CSN, you will work for an organization that values contributions from diverse perspectives.

CSN is located in the Las Vegas metropolitan area of Clark County, Nevada. Las Vegas is an exciting and dynamic area that boasts almost 2 million citizens and over 40 million visitors a year. With a vibrant cultural and recreational community, Las Vegas provides something for everyone. Whether you enjoy hiking, skiing, boating, museums, gaming, dining, going to shows or enjoying an evening stroll, the Las Vegas metropolitan area has it.

The College of Southern Nevada provides an accessible and captivating environment for working and learning. We invite you to explore the many benefits, services and opportunities CSN offers as you consider Las Vegas as your new home.
