In order to ensure the safety of our guests and associates during this time, we have created a catering menu of breakfast, lunch, snack and beverage options... all individually packaged for your protection.
Welcome to CulinArt Catering Services at The College of Southern Nevada. It is our privilege to serve you. This catering guide has been designed with your safety and well-being in mind. All menu items are individually portioned for personal consumption. Please feel free to contact us for any special arrangements or items you may not find in our guide.

You can rest assured that we are taking every precaution to keep you safe, including:
- specialized pandemic & COVID-19 safety training completed by all associates.
- enforcing strict cleaning, sanitizing and disinfecting protocols.
- conducting temperature and symptoms screening for all associates.
- providing Personal Protective Equipment (PPE) for all associates.
- ensuring CDC guidelines for handwashing and hygiene etiquette.
- temporarily discontinuing use of china and washable wares.
- enforcing social distancing standards in our kitchens and front-of-house.

To further ensure the health and safety of our guests and patrons, all catering set-ups will include:
- touchless hand-sanitizer and/or sani-wipes
- individually wrapped disposable utensils
- pc (individual “portion-controlled”) condiments

Note that all listed prices are per person, unless otherwise noted. Catering prices are typically higher than retail pricing due to required PPE packaging. There is a minimum order of 10 people (unless otherwise specified) or $50.00 minimum, whichever total dollar amount is greater. Prices include delivery, set-up, break down and pick-up.
