Job Description
Nursing is a profession which focuses on a wide range of
human responses observed in both sick and healthy persons.
Nursing has a theoretical base selected from other sciences
and nursing research. Nurses are highly respected and
supported by the public.

Career Opportunities
Nurses work with people of all ages in:

• Hospitals
• Clinics
• Offices
• Home Health
• Schools
• Long Term Care

As our nation moves toward health care reform, nursing will
continue to be a valuable profession.

Program Description
The program includes classroom instruction and clinical
practice in adult health nursing, family health nursing, and
mental health nursing

Application Deadline
Students applying for the Spring 2020 program must submit
an application to the Limited Entry Office by November 1,
2019. A "Limited Entry Application for Admission to a
Health Science Program" may be obtained online at:
https://www.csn.edu/Limited-Entry-Admission.
Final grades or completed transcript evaluation must be in
the Limited Entry Office by November 1, 2019, for the
Spring 2020 class.

Accepted Students
Students accepted into the program will be required to show
proof of CPR certification, health insurance, and
immunization against Hepatitis B, Measles, Mumps,
Rubella, Varicella, Tetanus, and Diphtheria. In addition,
proof of a negative two-step TB test and negative urine drug
screen will be required.
A physical examination must also be completed. An official
background check is required. This documentation is due at
the mandatory advising session held during the week before
classes begin each semester.

Licensure as a Registered Nurse
All states require Registered Nurses to be licensed. To
become licensed in the State of Nevada, you must have
graduated from an approved school of professional nursing
and passed the RN national licensing examination.

In addition to successfully completing the prescribed course
of study in an approved school of nursing, the Nevada Nurse
Practice Act (NRS 632.140) requires that candidates for
licensure be (1) of good moral character and (2) in good
physical and mental health. Prospective students are
advised that if they have been convicted of a felony prior to
admission to the program that this may preclude subsequent
licensure to practice as a nurse in Nevada (NRS 632.320).
