Job Description

Surgical Technology is an exciting, intense, and dynamic profession. The Surgical Technologist is an integral part of the surgical team and must have a thorough knowledge of surgical procedures and instrumentation. The Surgical Technologist anticipates the needs of the surgeon to facilitate the smooth progress of surgery.

A vital role of the Surgical Technologist is to maintain aseptic technique and sterile conditions during surgery. Surgical Technology is a developing and thriving allied health profession throughout the world.

Career Opportunities

The one-year Surgical Technology program provides students with the necessary skills for entry level into:

- Operating Room
- Labor and Delivery Suite
- Endoscopy Unit
- Outpatient Surgical Suite
- Emergency Room
- Sterile Processing
- Offices of ophthalmologists, physicians, and dentists

Approximate Salary in Nevada

Median Hourly Wage \$29.15
Average Annual Salary \$60,640.00

**Note: wages can vary depending on location in the state of Nevada.

Personal Characteristics

The Surgical Technologist must be able to perform under stressful and emergency situations, have considerable patience, possess a strong sense of responsibility and concern for order, must work quickly, must be oriented to detail and must be sensitive to the needs of the patient and other members of the surgical team.

Program Description

The program includes classroom instruction, lab, and clinical practice in Surgical Technology. Students will be required to complete a total of 120 cases in the clinical setting in order to graduate. Once the student has completed the required courses and cases, they will be awarded an Associate of Applied Science degree and may be eligible to take the national certification examination for Surgical Technologists. Prospective students are advised that a felony conviction may preclude them from sitting for the national certification exam. Northern Nevada students are responsible for their own travel expenses.

Admission Requirements

The CSN Surgical Technologist program is a Limited Entry program. Therefore, all of the prerequisite requirements must be completed by the application deadline in order to be eligible for consideration. See reverse side for specific requirements. A Limited Entry Application for Admission to a Health Science Program may be obtained online at: <https://www.csn.edu/Limited>

Approximate Costs

(Costs are subject to change)

Tuition:

| | |
|--|--------------------------|
