

Suspension of Ad-Hoc (On-Campus, In-Person) Placement Testing

Effective Monday, November 16, and through Monday, November 30, 2020, the Testing Center will suspend in-person, on-campus, ad hoc services. The Testing Center is open and providing services via the virtual /remote environment. Please click [here](#) for more information on the available essential services.

The decision to suspend ad hoc, in-person, on-campus services comes as a result of CSN's commitment to follow COVID19 guidelines.

The Testing Center will resume in-person, on-campus, ad hoc services once new guidance is received following the current Stay at Home 2.0 directive by the Governor's Office.

Please reach out to the Testing Center at any of the following contacts should you have any question(s).
