

Article 26 - Contact Hours

Section 1. The Instructional Unit (JU) value multiplier for Laboratory and Studio (Clinic/Lab/Studio on workload form, and health sciences clinicals directly supervised on-site) contact hours shall be increased as follows:

- Effective August 1st, 2024 and implemented beginning with the Fall 2024 Semester Workload increase from 0.775 to 0.80 JU.
- Effective January 1st, 2025 and implemented beginning with the Spring 2025 Semester Workload increase from 0.80 to 0.90 IU;
- Effective June 30st, 2025, and implemented beginning with the Fall 2025 Semester Workload, increase from 0.90 to 1.0 IU.

Section 2. The IU value multiplier for Coordination/Supervision of Health Sciences Clinical Courses (Clinic Supervision on workload form, and health sciences clinicals not directly supervised onsite) hours shall be 0.45 IU.

Section 3. In no case shall the changes described in this Article cause the reduction of the IU value multiplier applied to any bargaining unit member's contact hours.
