

# • Smarthinking: online tutoring when you need it

Don't let your busy life get the best of you. With 24/7 availability and four different types of online tutoring services, Smarthinking fits into your schedule—*whenever you need it most.*

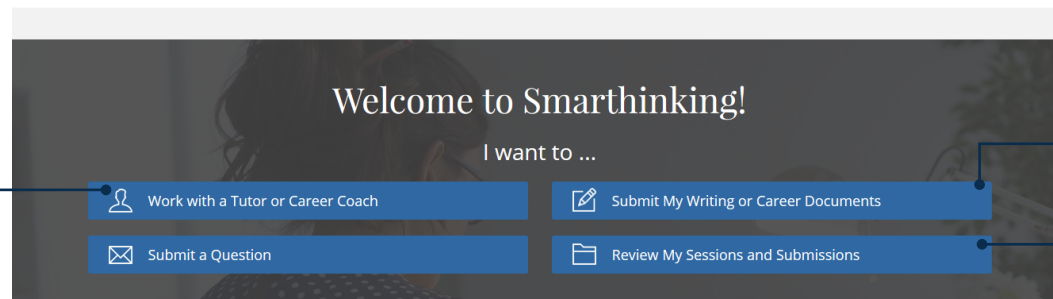

Follow these steps to get started

Explore additional writing resources, including writing practice materials, assessments and Pearson Writer.

Access writers' and ESL handbooks, an accounting glossary, a study guide handbook, and links for additional math support.

Get technical support to solve any issues you may have while using Smarthinking.

View your profile to change a password, email address, or usage information.

Send an essay or draft for review.

Find transcripts of past sessions, responses, reviews, or a list of upcoming sessions.

## Work With a Tutor

Drop-in Session

Connect with a live tutor on demand.

Schedule a Future Session

Make an appointment for a tutoring session or change any scheduled session.

Ask a Question

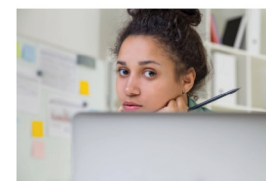

Ask a question here if you don't have time for a live session. A tutor will respond usually within 24 hours.

Learn how to use Smarthinking by watching our tutorial videos.
