

Reservation Policy for Russell's Restaurant

Reservations can be made at Russell's Restaurant for parties of **5 or more**. Reservations must be made at least 48 hours in advance to guarantee seating. A restaurant instructor will confirm the reservation through a phone call or an email. Reservations made less than 48 hours before the event cannot be guaranteed.

Please keep in mind that we are a learning facility and reservations are taken by the instructors, thus return of phone calls or emails may take up to 2 days. It may not be possible to return calls or inquiries for any reservation made less than 48 hours prior to the event.

Reservation Guarantee (8 or more guests)

Due to limited seating in Russell's restaurant, we have put into place a reservation guarantee to ensure that our students get the proper training while they are taking the class. When we block off tables for reservations that do not show up, the students cannot practice their skills of proper service and their learning is diminished. Therefore, reservations of 8 or more guests must be guaranteed with a credit card at the time of the reservation. This will authorize Russell's Restaurant, on the day of the event, to charge the credit card for up to \$9.95 per person times the number of guests indicated at the time of the reservation.

Private Dinners

Groups that wish to book the entire Russell's Restaurant for the night must have a minimum of 50 guests and a maximum of 75 guests. This again is related to our educational mission and the students' learning experience. A final guaranteed count of guests must be provided no less than one week prior to the event and a credit card must be provided at that time. On the day of the event, the credit card will be charged for up to \$9.95 per person times the number of guests indicated at the time of the reservation. Please review the Guidelines for Private & Group Functions document before calling.
